

WHO IS PERSA?

PERSA TRADING company is an international agri-food products supplier. The PERSA founder's families have a long reputed history as traders and farmers in the Middle East, especially Iran. PERSA started independently in 2018 as an international saffron supplier. Then, we have added dates, raw honey, and dried fruits and nuts to the products line. Being flexible, honest, professional, and creative are our values in business.

We look forward to making a long relationship with you, and we know that you'll be surprised with our unexpectable services.

CERTIFICATES:

We obtained all the necessary ISO certificates, standards, and licenses to provide and export the products. Persa Trading achieves ISO 22000 (Food Safety Management System), HACCP (Hazard Analysis Critical Control Points), ISO 9001, Halal Certificate, and GMP (Good Manufacturing Practice).

PRODUCTS

PERSA is an agri-food brand name that supplies you with the best quality products such as saffron, dates, raw honey, and various dried fruits. PERSA exports the products in bulk and package worldwide.

PACKAGING

PERSA trading designed and packed the products in various packages for different market demands and consumer tastes.

◆ PACKING WITH YOUR BRAND NAME:

PERSA allows customers to design their packaging based on their brand name, logo, pattern, address, or anything else according to their needs with a minimum order. This opportunity is available for all products.

◆ BULK PACKING:

PERSA trading can pack the products in standard bulk mother cartons or boxes. For more information about prices and transportation, contact PERSA sales department.

Persian Saffron types: Super Negin, Negin, Sargol, Pushal, and Bunch saffron.

Raw honey types: Wild Forest/Mountain honey, Thyme honey, Milkvetch and Coriander honey, Citrus honey, and Konar honey.

Dates types: Pirom, Mazafati, Zahedi, Sayer, Kabkab, Kalut, Khassui, Rabbi, and Medjool.

Dried Fruits types: Mavis Raisins (Jumbo), Dried White Mulberry, Fig, Jujube, Apricot, Kiwifruit, Apple, Tangerine, Orange, Persimmon, Prune, Peach, Pear, Banana, Mango, Strawberry, Cantaloupe, and Barberries.

PERSA PACKAGING

PERSA looks forward to delegating exclusive sales representatives and making a supportive relationship with them. You have some unique advantages as an exclusive sales representative in advertising budget, getting rewards and discounts.

SAFFRON PACKAGES:

There are six types of saffron packages in different sizes: Khatam tin box, full metal box, Gohar polycrystal box, paperboard packet, Blister paperboard card, and transparent polycrystal box.

DATES PACKAGES:

There are five types of dates packages in different sizes: matchbox style, rectangle PET container, cylindrical PET container, rigid rectangle box, and Stand-up Doypack.

HONEY PACKAGES:

There are four types of honey packages in different sizes: Custom design PET, hexagonal cylinder plastic/glass jar, cylindrical plastic/glass jar, and hexagonal plastic/glass jar.

DRIED FRUITS PACKS:

PERSA produced four special packages for the market with a formula for each temper and taste. We called them Yummy Pack, Panacea Pack, Paradise Pack, and Healthy Pack.

There are five packages in different sizes: Rectangle PET container, cylindrical PET container, pillow pack, stand-up Doypack, and stand-up bags.

You can ask for any combination of the dried fruits you want to make a medley package of dried fruits. Persa Trading can produce and pack with your desired mixed and brand design label.
